Procces of designing my page

1.

When I started, I wanted to look professional.

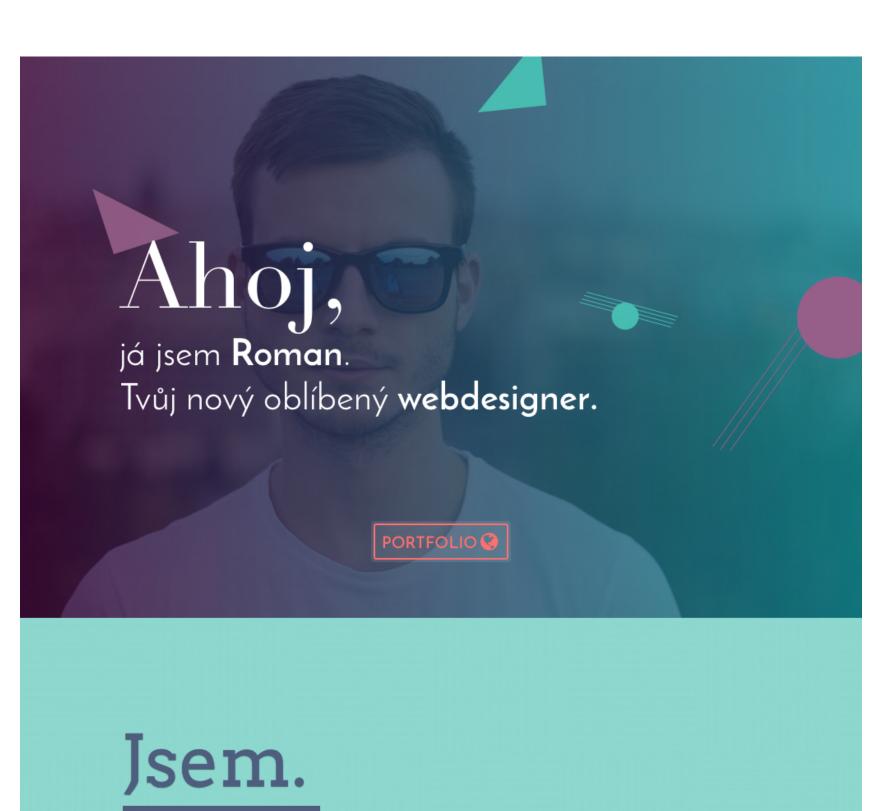

But it doesn't felt right..

2. I always loved geometric

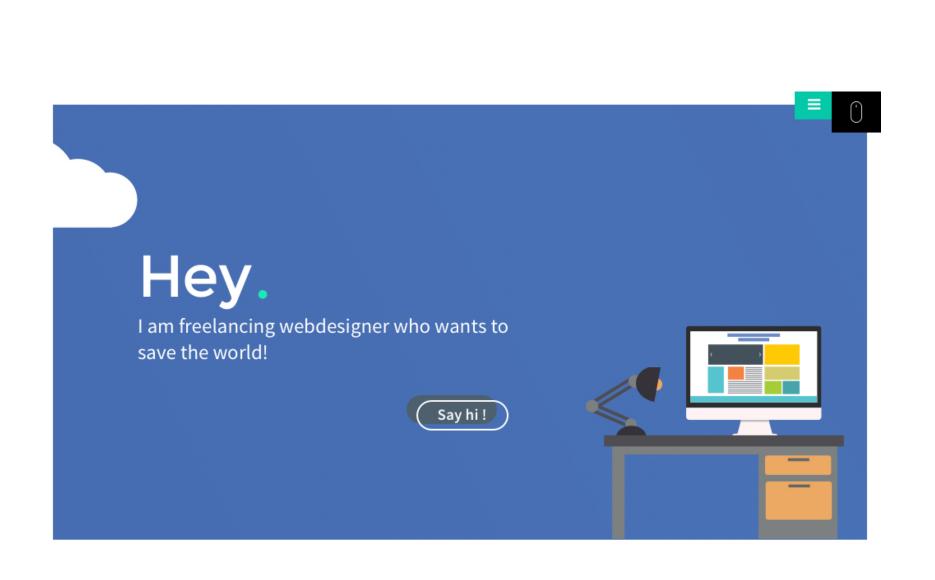

shapes.

Pardon me please, I am no Shakespier.

Každý je jedinečný svým vlastní způsobem. Já věřím, že každá tato odlišnost by měla být

MY AWESOME WORK

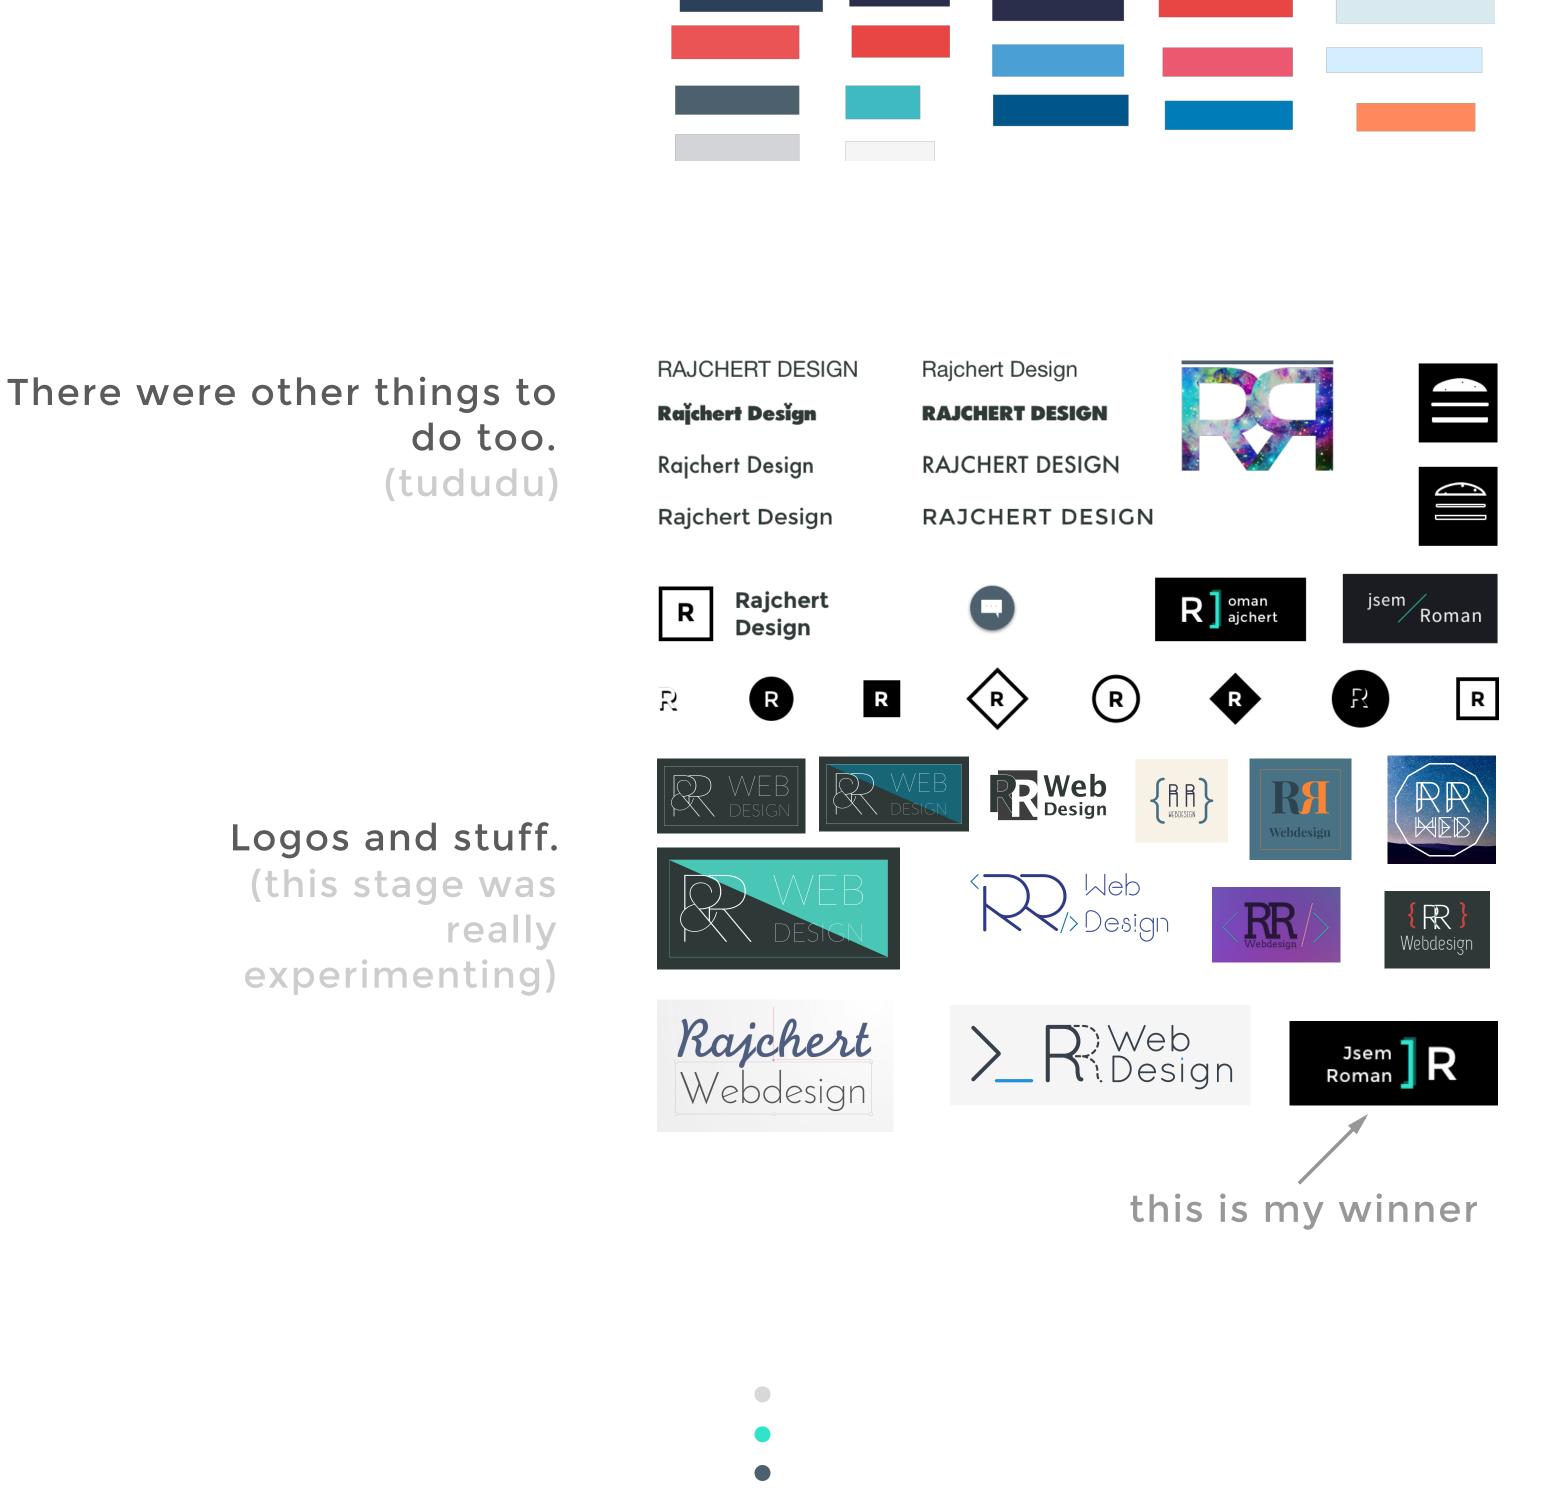

Picking the right color wasn't easy either.

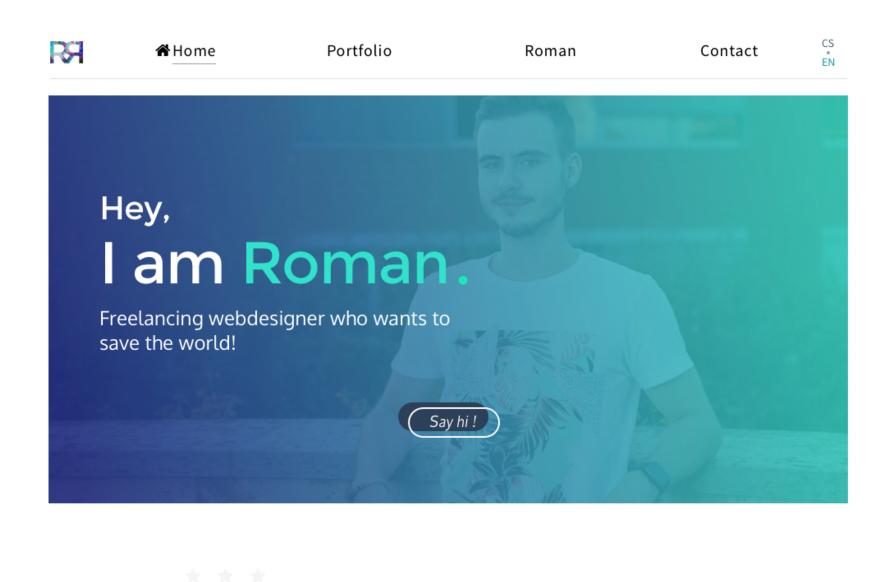

No kittens here tho 😔

I heard that cute websites are cool now.

3.

Can you find my favorites?

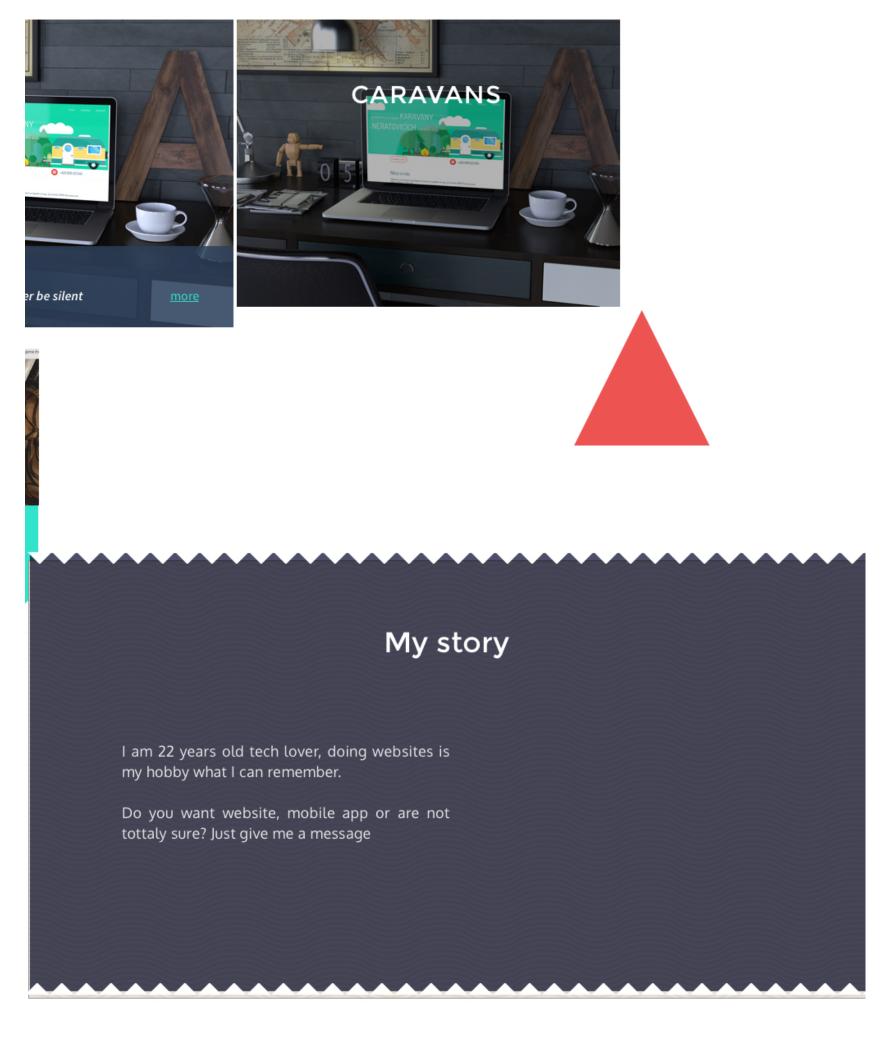

Gradients are new colors. I kinda like it.

6. I ended up like this. Hello, I am

See for yourself. http://jsemroman.cz

It's been a long tearful way. I made a lot of mistakes, but I also learned a lot.

I absolutly love the outcome. I hope you too :)
